

BBO FAMILY MATTERS

citizens
advice

Our **BBO Family Matters** project helps people who are unemployed and looking for work. They do this by supporting clients who wish to return to work, access training and volunteering opportunities through advice work.

You will need to be unemployed to be referred to this project.

If you are interested in a referral to BBO Family Matters, please let us know so we can arrange for one of the advisers to contact you.

You can also contact them directly on **01922 700645** or e-mail **familymatters@cab.walsall.org.uk**.

Please look at the noticeboard in our waiting area for more details.
